

IC Lastra a Signa Firenze

<http://www.lastrascuola.com/>

A digital classroom for foreign languages. The room features several square tables with red tops and black frames, each surrounded by four white plastic chairs with silver metal frames. The floor is covered in light-colored square tiles. On the left, there is a long white desk with a green top, holding stacks of books and papers. A whiteboard is mounted on the wall above the desk. In the background, there are large windows with blinds and a ceiling fan. On the right, a television is mounted on the wall, and a server rack is visible. The walls are painted in a light green color.
